# SHARE YOUR HOME WITH A YFU STUDENT FROM **DENMARK**

## YOU TOO CAN LEARN ABOUT THE PEOPLE AND CULTURES OF DENMARK. HOST A DANISH YFU STUDENT!

**Make the world your home!** When you welcome a YFU international exchange student, your family will develop a new perspective, make memories and gain a new family member for life. More than 260,000 students and their families around the world have embarked on this transformative cultural journey.

Together YFU students and their host families become citizens of one world as they deepen their appreciation for other cultures and customs, in turn increasing tolerance, reducing violence and helping to eliminate stereotypes.

Your ordinary life – grocery shopping, cooking dinner, going to a high school football game, volunteering at the local food bank – is extraordinary to an exchange student.

**By hosting each others children, we come to understand that our similarities are greater than our differences.**

### What have YFU Host Families learned about Denmark?

- Denmark is the only country in the world that speaks Danish; many start learning English at an early age.
- A Danish tradition for New Year's Eve is to have everyone stand on a couch or chair and "Jump into the New Year" at midnight.
- The language is a lot of fun to learn.
- Their sweet tends to be more bitter than ours.

"We have had a lot of fun trying to learn Danish from our student. She is open and willing to share much about her own culture while enjoying life in the States.

- Daphne, Host Mother, Massachusetts
